# Good Morning!

We hope you slept well and that you enjoy your Breakfast.

Let us look after you and set you up for your day ahead with our Deliciously Yorkshire Breakfast!

**Once seated let your server know your hot drink selection and choice of toast, which will be served at your table with a selection of homemade jams, Marmite, honey and chocolate spread.**

## Continental Breakfast Buffet

**Please help yourself to the Buffet Table**

### Selection of Fresh Juices

### Home-made yogurts

(A selection of flavours will be available on the buffet table)

### Selection of Fruit Platters

(Orange and grapefruit, apricots in vanilla syrup, prunes in syrup, fresh melon and natural sweetened fruit salad)

### Selection of Cereals

### Selection of Croissants

**Your server will then take your order from our selection of delicious cooked to order dishes.**

**Let us know if we can get you more hot drinks, toast or even if you would like a hot drink to take away with you!**
