Proud to be celebrating 30 successful years

This has been an amazing 30 year journey, creating a business in Skipton I'm proud of.

At the age of 27, I closed the previously named Midland Hotel and embarked on a major refurbishment programme.

All bedrooms were made en-suite, the ground floor was reconfigured with a new bar dining area, and the kitchen updated.

For the first 6 years I managed the hotel myself after which, I continued to build a strong team to drive the business forward.

Building upon this base, I extended the hotel and redeveloped the derelict outbuildings to give us more rooms, a large function suite and conservatory.

Original images from when Herriots opened in 1989

Over the years we have had the privilege of looking after 3 generations of many families, hosting their celebrations and as guests in our restaurant and bar. giving me immense pleasure when I read reviews of how lovely all the team are and what wonderful food they have had.

I love being here and hope that others also experience that same passion
